COMMUNICATION DESIGN STUDENT

I am a second-year Communication Design student at Parsons School of Design with a 3.81 GPA and Dean's List honors. I'm proficient in Adobe Creative Suite, HTML, CSS, and JavaScript. I enjoy visual storytelling and collaborating with others, and I've gained real-world experience through internships in social media, web design, and market research. Studying in the U.S. has taught me how to thrive in fast-paced, diverse environments and strengthened my time management and teamwork skills. I bring a global perspective and am always looking for creative, meaningful ways to grow and contribute.
